• PHOTOSHOOT RATES:

For one person, the photo shoot fee is \$160 for the first hour and \$35 for each quarter hour after. This covers my drive time within a half hour distance, shooting time and editing time (1 hour shoot = 4-6 hours of editing). \$50 deposit is collected prior to, with remainder immediately after the shoot, in the form of online payment using "Book a Session", cash, check, Venmo, Paypal or CC payment.

• MULTIPLE PERSON SHOOTS:

If you wish to add any extra individuals (family or friend) it is an additional \$25 per person for the extra editing involved. It's a great way to accomplish family or group shots at the same time!

• FAMILY SHOOTS:

Full family Shoots are available with 2 options:

- \$200 = Families up to 8 members; includes full shoot with any combination, but only prints are edited fully
- \$25 per member fully edited extra
(Families over 8 members = \$25 per person extra)

• CANCELTION POLICY:

All shoots are weather dependent, sometimes canceled midshoot; however, postponements based on schedule are permitted any time if at least 1 hour prior to shoot.

• APPAREL:

Once the shoot begins, you may include as many outfit changes or location changes as you prefer. Make sure that you wear something underneath all your outfits so that you remain decent throughout the changing process. Restrooms and changing facilities are not always easily accessible. Consider ways of carrying all props, outfits, shoes, etc. I highly recommend bringing a family member, friend or wagon as I'll be carrying equipment as well.

• PHOTO PROOFS:

All photos will be edited and ready for viewing/downloading/ordering from my site within one - two weeks of the shoot (unless during peak seasons). You will receive a direct link to view all photos & can share this link with friends/families.
