• PHOTOSHOOT RATES:

For one person, the photo shoot fee is $199 per hour. This covers my drive time within a half hour distance, shooting time and editing time (each hour shoot = 4-6 hours of editing). $100 deposit is collected prior to the shoot in the form of online payment using "Book a Session"; This deposit can be applied to prints, packages, products or digital downloads AFTER the edited collections ar

• EXTRA PERSONS:

If you wish to add any extra individuals (family or friend) it is an additional $25 per person for the extra editing involved. It's a great way to accomplish family or group shots at the same time!

• FAMILY SHOOTS:

Full family Shoots are available with 2 options:

- $250 = Families up to 4 members;
  Families over 4 members = $15 per person extra, as getting everyone's "best takes" involves PS editing
- Includes multiple combinations / family structures

• CANCELATION POLICY:

All shoots are weather dependent, sometimes canceled mid-shoot; however, postponements based on schedule are permitted any time if at least 1 hour notice is given prior to shoot.

• APPAREL:

Once the shoot begins, you may include as many outfit changes or location changes as you prefer. Make sure that you wear something underneath all your outfits so that you remain decent throughout the changing process. Restrooms and changing facilities are not always easily accessible. Consider ways of carrying all props, outfits, shoes, etc. I highly recommend bringing a family member, friend or wagon as I'll be carrying equipment as well.

• PHOTO PROOFS:

All photos will be edited and ready for viewing/ downloading/ordering from my site within one - two weeks of the shoot (unless during peak seasons). You will receive a direct link to view all photos & can share this link with friends/families.
